REMARKS

Applicant is submitting this Supplemental Amendment to further clarify the recited claims.

Claims 1 and 30 are amended to recite that a controlled vapor-to-liquid phase state change of a selected media occurs in tissue. Support for these amendments can be found throughout the specification as filed (specifically page 11).

Applicant's attorney has discussed submission of this Supplemental Amendment with the Examiner on February 22, 2008.

CONCLUSION

In view of the above, each of the presently pending claims in this application is believed to be in condition for allowance. Accordingly, the Examiner is respectfully requested to withdraw the outstanding rejections and pass this application to issue. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the appropriate fee and/or petition is not filed herewith and the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with this filing to **Deposit Account No. 50-3973** referencing Attorney Docket No. **TSMTNT00100**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
